NEW TEACHERS

I am happy to announce the addition of two more faculty members. Marion Key has been hired to be part of the team of Sam Rende and Iraidia Orr, who will be teaching 5th and 6th grades. Mrs. Key has 8 year's experience teaching and comes to us from Topeka Collegiate, where she has been teaching the last 3 years. She wanted to teach in a Christian school and will be bringing 3 children with her. She has a passion for language arts and history and has taught in the 5th through 8th grades in the past. She attends First Southern Baptist Church.

Nancy Toth has been hired to teach Biology, Chemistry and AP Chemistry for next year. Dr. Toth is an M.D., who has taught at Cair Paravel in the past. She filled in for us in Biology and AP Chemistry this semester as a long-term substitute and we are happy to bring her back for next year's Science classes. Nancy attends Topeka Bible Church and has 6 children, all of whom have attended Cair Paravel-Latin School.

Please join me in welcoming these new teachers to our family. Continue to pray for administration as we make final decisions about a part-time teacher to be part of the team for 5th and 6th grades and our high school Humanities teacher. Cindy Patton, Chief Administrator

LIONS' ROAR

•Kudos to the students of the K-4th classes! They did a great job on their spring vocal music program. ~ Mrs. Pohlenz

• Allison Lippe and Claire Albrecht celebrated the rite of Confirmation at Faith Lutheran Church on Sunday, April 25th. Their confirmation (affirmation of baptism) was preceded by a year-long study of the Bible, creeds of the Christian faith and Lutheran catechism.

• Toby Lunn (1996 CPLS grad) is in Kenya with Africa Inland Missions using his engineering degree as a missionary for 2 years. Toby has been there for 4 months, lives with a Kenyan family in a concrete cinder-block house and is learning Swahili. He just completed a 6 week stay in Tanzania helping to construct two buildings to house men and women who are sick with aids.

• Cair Paravel Basketball players Taylor Petrik, Blain Clark, Joel Keller, Kyle Williams, Chris O'Neil, and Brianna Clark, (along with Rick Petrik) showed up for work day on Saturday, April 17th at 8:00 a.m. to do the necessary concrete work to install the two new basketball goals on the playground. Within one hour they mixed and poured almost a ton and a half of concrete!

PTF NEWS

Due to parental input, PTF will return to Innisbrook wraps for next fall's fundraiser. However, our school can begin accumulating credit right now! Order online at www.innisbrook.com and be sure to enter CPLS' number, 11421. When ordering from the web site, a shipping fee will apply, but products will be delivered directly to you or the address you specify.

Your PTF dollars at work: This year PTF purchased the following items for CPLS: fog machine for the theatre; playground mulch; art books; a basketball goal; clothing racks that will hold donated uniforms; cordless phone headset for office; televisions and wall mounts for 13 classrooms; jump ropes, discs, pinnies and base plates for physical education; \$1500 for CPLS to invest in computers; convocation treasure chest items; teacher/staff luncheons on in-service and work days; and teacher wish list items such as: bonus classroom supplies, educational videos, student reward items, DVD players and books.

We are grateful for your support of PTF events which has enabled us to invest over \$7000 to enhance our children's education. THANK YOU!

SCHOLARSHIP FUND

We are requesting additional donations to increase the pool of financial aid to try to retain families who have told us they are not returning for financial reasons. If you would like to donate towards this effort, please contact Cindy Patton. By paying for a partial tuition, we hope to enable families to stay.

Our re-enrollment numbers are down again from last year. Some families will not return without help in addition to the awards of financial aid already made. Please prayerfully consider a gift towards our financial aid fund. Your gift matched with the tuition paid by the family who is able to stay will multiply the effect of your gift, not to mention the spiritual benefits gained by families who will be able to provide a Christian education for their children at CPLS.

God bless, Cindy Patton
