FROM THE DEANS DESK...

ESSENTIAL GRAMMAR FOR CPLS FAMILIES AND FRIENDS

These are exciting times at Cair Paravel Latin School. We are already looking forward to the next school year and the many things that must be done to prepare. Marketing our school and reaching prospective families is, of course, a big part of that equation, and we thank the many people who are diligently working to introduce everyone they meet to CPLS. We have been told, and genuinely believe, that “word of mouth” is our best promotional instrument, and we know that it works as family after family has a story to tell about how they heard of Cair Paravel from a friend. To be an effective ambassador for the school, we encourage you to take a look at the following answers to a variety of questions that you might be asked about CPLS. We have been reminded in our discussions that it is important to remember that the answer to “What is Cair Paravel?” should not be, “It’s a Christian school named after...”, but rather...

WHAT IS CAIR PARAVEL LATIN SCHOOL?

Ours is a K-12, classical Christian, liberal arts school. We are college preparatory in nature and view our mission as the cultivation of classically trained, life long learners, committed to the Lordship of Jesus Christ, who will enrich their community and God’s kingdom.

WHAT IS THE NAME CAIR PARAVEL ALL ABOUT?

Our founders chose the name from a series of children’s books by C.S. Lewis called The Chronicles of Narnia. Cair Paravel was the castle from which the children who entered Narnia ruled as Kings and Queens. It is for us a metaphor to remind us that just as the children who entered Narnia became more noble minded, character filled and committed to the Lord of the land, so should the children who attend our school be similarly transformed. When the children returned to their own they would be equipped to live as the Kings and Queens of Narnia that they had become. We desire the same for our children as members of God’s kingdom.

WHY DO YOU HAVE “LATIN” IN YOUR SCHOOL NAME?

As a classical school our curriculum was crafted upon the model of the Latin grammar schools that were the educational staple of western civilization for hundreds of years. We also teach the Latin language for ordering correct thought, fostering precision in vocabulary and as a foundation for learning other modern languages.

WHAT IS YOUR SCHOOL’S VISION?

Cair Paravel aspires to become the premier classical Christian, liberal arts school in America.

WHAT IS YOUR SCHOOL’S MISSION?

Our mission is to cultivate classically trained, life long learners, committed to the Lordship of Jesus Christ, who will enrich their community and God’s kingdom.

WHAT DO YOU MEAN BY “CLASSICAL”?

In short, classical pertains to our materials and methods. We attempt to use materials that have stood the test of time. Most materials come from the great works and ideas of classical Greco-Roman culture, and historical Judeo-Christian, western civilization. Our methods conform to a long used model called the trivium or “three ways”.

WHAT IS THE TRIVIUM?

The three ways to best learn anything follow a path from grammar to logic to rhetoric.

These are also the three ways in which to address learning as a child grows, as they tend to target the learner’s propensities at different stages of development.

- In the grammar stage, students are taught the rules, facts and definitions of things primarily by rote and recitation and at a time in their lives when they most enjoy doing this.
- In the logic – or dialectic – stage, students are taught to think logically about different approaches and applications to the things they have learned. This is done at a time when they are most prone to argument and disputation.
- In the rhetoric stage, students are taught to be critical thinkers who can eloquently express themselves in their knowledge and beliefs, arts and abilities, and manner in which they live out their faith and practice.

(continued on page 3)

ESSENTIAL GRAMMAR FOR CPLS FAMILIES AND FRIENDS (CONTINUED)

WHAT MAKES YOU A CHRISTIAN SCHOOL?

We believe that all learning should be directed toward truth, and that all truth is God's truth. As such, the Bible is taught directly and is also integrated into the teaching of all things. We are persuaded that the good life is one which seeks to glorify and enjoy Christ in all things, and that our students should be directed toward that end.

WHAT IS A LIBERAL ARTS SCHOOL?

Quite literally, the liberal arts prepare a student to live as a "free" person. "Liber" is Latin for "free" and liberal implies a broad spectrum of knowledge that allows for such freedom. We seek to cultivate generalists who can converse intelligently and accurately on many subjects with a great degree of cultural literacy rather than specialists who know a lot about only a few things or a bunch of pop trivia that will not stand the test of time. Specialization will come in college as students begin to pursue their vocation in life, but no matter the choice of life's work, our freedom and prosperity has always rested personal responsibility and upon a common body of knowledge, grounded in truth, which all citizens have been able to converse about intelligently and to which they have adhered to in order to maintain their freedoms.

CPLS ART STUDENTS WORK ON DISPLAY AT LOCAL ART GALLERY

A select group of Cair-Paravel Latin School art students work is on display at the Topeka Art Guild Gallery through February. See the Lions Share forms in the front office, or on the CPLS website.

Let's get creative here!! E-mail your story to sprice@cpls.org by February 20th. LAMPLIGHTER FAMILY OF THE MONTH

Congratulations to the Robb family for reading the most Lamplighter books during the month of January. They will be choosing three books to begin their family collection of these treasures. It's not too late to join in and read for February! You will be blessed.

AFTER-SCHOOL MONITOR NEEDED

We are in need of someone to be an after-school monitor on Tuesdays and/or Thursdays. The volunteer is responsible for making sure students are picked up after school. Any student who has not been picked up by 3:45 is sent to daycare. If you pick up students after school on Thursdays, this is a great way to help out the school and help make sure students are picked up safely. If you could help in this way, please contact Christine Myers cmyers@cpls.org or in the office at 232-3878 as soon as possible. Thanks.

TUITION ASSISTANCE FOR 2007-08 SCHOOL YEAR

Tuition Assistance will again be available to new and returning families based upon financial need; most families qualify with either: 1) "adjusted gross income" under \$42,000, or 2) tuition greater than 10% of "adjusted gross income".

CPLS utilizes Family Financial Needs Assessment (FFNA), an objective third party, to process the applications and assess each family's financial situation. We will then divide the Tuition Assistance funds available, based upon FFNA's recommendations, among those families who qualify in time to be considered. In order to apply for tuition assistance for the 2007-2008 school year, families must have their 2006 Federal Income Tax Return completed by the application deadline.

Based on the processing times for each type of application and our goal to communicate awards to families by Monday, April 23, we have established the following deadlines:

Regular Processing, USPS, application & tax return must be received by FFNA by March 2, 2007 (Fee payable to FFNA \$20)

Regular Processing, on-line, application & tax return must be received by FFNA by March 16, 2007 (Fee payable to FFNA \$30)

Fastback Processing, on-line or USPS, application & tax return must be received by FFNA by March 30, 2007 (Fee payable to FFNA \$40)

Applications are available now from Shirley Price in the business office. If you have any questions regarding tuition assistance, please contact Shirley (or Bob Hannibal) at the school.

BOX TOPS FOR EDUCATION

Do you think that Box Tops can only be found on cereal boxes? Then think again!

You can find Box Tops on all kinds of items from the following companies:

Kleenex, Pillsbury, Bisquick, Totinos, Betty Crocker, Hefty, Ziploc, Yoplait, Cottenelle, Scott, Nature Valley and more!

You'll be surprised where you can find BOX TOPS when you train your eye to look for them.

The next class contest will be held later this spring and the class with the highest number of Box Tops per student will win a party. There's no advantage for large classes - everyone has an equal chance to win. So keep on clipping your Box Tops!
